

ICT Student User Agreement

When I use technology, both at school and at home I have responsibilities and rules to follow. I agree to:

- be a safe user whenever and wherever I use that technology
- be responsible whenever and wherever I use technology and support others by being respectful in how I talk to and work or socialise with them
- report to an adult if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour
- never write or participate in online bullying (this includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour)
- Do not take photos/screenshots or videos of other students and post them elsewhere (social media, email...) without their permission.
- protect my privacy rights and those of other students by not giving out personal details including full names, telephone numbers, addresses and images
- use appropriate language when talking to and working with others online and never participate in hate mail or acts of harassment
- use the internet at school for educational purposes only and use the equipment properly and respectfully
- not deliberately enter or remain in any site that has obscene language or offensive content (e.g. racist material or violent images)
- abide by copyright procedures when using content on websites (ask permission to use images, text, audio and video and cite references where necessary)
- think about how I use content posted on the internet and not simply copy and paste information from websites
- not interfere with or circumvent network security, the data of another user or attempt to log into the network with a user name or password of another student
- not reveal my password to anyone except the system administrator or classroom teachers
- not bring or download unauthorised programs, including games, to the school or run them on computers at school
- talk to my teacher or another adult if:
 - I need help online
 - I feel that the welfare of other students at the school is being threatened
 - I come across sites which are not suitable for our school
 - someone writes something I don't like, or makes me and my friends feel uncomfortable or asks me to provide information that I know is private

Additional agreements for home-based learning:

- I am properly dressed for school related video conference session such as Zoom.
- I am in a public space in my home when participating in video conference sessions with the school.
- An adult of my family is present during the entire duration of all video conference sessions with the school.
- I will be polite, respectful and considerate at all times.
