

## Parent and Child Group Coordinator

Casuarina runs a Parent and Child Group four days per week. Families attend one day each week with their young child/ren aged 1 year to 5 years to socialise, play and connect to our school community and learn more about Steiner Education in the early years.

We are looking for an enthusiastic, inspired and professional person to coordinate and run our Parent and Child Group.

The applicant will find a committed and engaged team in a caring and supportive work environment and will bring to the position a strong commitment to Steiner education and the ethos and values of our school. The Parent and Child Group is part of Casuarina School, a warm and vibrant community with 125 children from K to Year 6.

It is located in the sub-tropical city of Coffs Harbour, amidst the beaches, rivers, forests and mountains of the beautiful Mid North Coast of New South Wales. Casuarina School offers a non-denominational, co-educational program, which welcomes and supports all children whose parents are seeking a Steiner education for their child/ren.
